

ZOASH CIVIL & CONSTRUCTION

BUILDING A BETTER FUTURE

WWW.ZOASHGROUP.CO.ZW

ABOUT US

ZOASH Construction Group, one of the leading construction companies in Zimbabwe. Founded in 2020, we have rapidly established ourselves as a key player in the construction industry, driven by our commitment to excellence and our ability to apply effective business principles alongside sound construction practices across various building sectors.

Our journey has been characterized by consistent growth and diversification, allowing us to successfully undertake a wide range of projects. From residential developments to commercial and industrial structures, ZOASH Construction Group has the expertise to bring your vision to life. We specialize in housing development, infrastructure construction, building construction, and comprehensive project management.

Our notable projects include the development of gated communities, the design and construction of mixed housing and townships, as well as essential infrastructure such as water reticulation and sewer systems. Each project reflects our dedication to quality, safety, and sustainability, ensuring that we not only meet but exceed the expectations of our clients.

At ZOASH Construction Group, we believe that our success stems from a deep understanding of the construction landscape and a commitment to delivering exceptional results. As a reputable company in Zimbabwe, we are proud to contribute to the nation's growth through innovative construction solutions that enhance communities and foster development.

WWW.ZOASHGROUP.CO.ZW

Mission

At ZOASH Construction Group, our mission is to deliver outstanding construction services that provide exceptional value to our clients. We are committed to fostering quality living and driving economic development through innovative housing solutions, infrastructure enhancement, and superior project management. Our focus on excellence, integrity, and sustainable practices ensures that we meet the evolving needs of our communities and contribute to the overall growth of Zimbabwe.

Vision

Our vision is to be the foremost construction company in Zimbabwe, recognized for our leadership in housing development, infrastructure construction, and comprehensive project management. In the next five years, we aspire to expand our portfolio while setting benchmarks in quality, innovation, and client satisfaction. We aim to create thriving communities through the development of sustainable, well-planned, and functional environments that enhance the quality of life for all Zimbabweans.

Broad Goals

The broad goal of ZOASH Construction Group is to become a leading force in Zimbabwe's construction industry by delivering high-quality, sustainable, and innovative solutions that meet the diverse needs of our clients and communities. We aim to enhance living standards and foster economic development through exceptional housing, reliable infrastructure, and effective project management, ensuring a positive impact on the communities we serve.

OUR OBJECTIVES

Through these commitments, ZOASH Civil & Construction Group aims to shape prosperous communities and contribute significantly to Zimbabwe's development and infrastructure advancement.

Client-Centric Services

To provide exceptional construction services that prioritize the needs and expectations of our clients, ensuring satisfaction and building lasting relationships

Innovative Solutions

To continuously seek innovative construction techniques and project management methodologies that enhance efficiency and reduce costs while maintaining high standards of quality.

Diverse Project Portfolio

To expand our project offerings in housing development, infrastructure, and building construction, catering to a broad spectrum of client requirements, from residential to commercial and industrial needs.

Capacity Building

To invest in the development of our team through training and capacity-building programs, ensuring that our workforce remains skilled, knowledgeable, and equipped to address the challenges of the evolving construction landscape.

Sustainable Development

To implement environmentally responsible practices in all our projects, ensuring that our contributions support sustainable community growth and the protection of natural resources.
